RULES OF ENGAGEMENT

**MAKING EVERY MOMENT COUNT THROUGH THE
INSTRUCTIONAL STRATEGIES PLAYLIST**

Learning is not a spectator sport! So, how do you teach the standards, prepare students for high-stakes testing, and keep them engaged all at the same time? **Lead4ward's Rules of Engagement** helps educators acquire tools to succeed in all these areas! Through the **Strategies Playlist and mobile app**, participants will better understand how to engage students behaviorally, emotionally, and cognitively while strengthening student desire to learn, motivation to participate, and academic success. Get ready to move around, rehearse strategies first-hand and leave totally inspired as we learn to teach, reach, and engage students!

Your Solution For Increasing Student Engagement Through

- Movement & discourse
- Rehearsal & practice
- Extended thinking
- Learning from mistakes
- Evidence of Learning

What You Will Learn

- Why do students need to move and talk?
- How do you ensure students are learning?
- How do you “think up” instructional strategies?
- How do you manage an active classroom?
- What is the connection between strategies and planning?
